SUMMER 2022

SUMMER IS HERE

Hello there! This photo is a bit of a flashback to last year when the lovely Zoë (pictured left) and I sang to a soggy yet happy group of families at Cann Hall park. Shortly after drying out, I put together a guide (largely out of guilt!) to events and activities happening in the local area because so many of the groups the little ones usually attend take a pause over the summer.

Fast forward a year and another bout of extreme weather (hello global warming...) and the summer holidays have yet again crept up on me. I very rarely think more than a week ahead so it makes sense me sharing the bits I find when scouring the internet for things to do with my lot in case it tickles your family's fancy too.

I'll be popping what I find here and hope to circulate updated versions via my weekly Little Sing Song WhatsApp group message (drop me a message if you want to join). I make no promises on the frequency though as we all know how life can spring surprises on us, but that's the aim :-)

As with most things since 2020, events are subject to change so please check with the event organisers/venues before attending. If you spot an error, want to add an event or want to know more about Little Sing Song feel free to drop me a message.

Have fun x
