SUMMER ACTIVITIES & EVENTS FOR FAMILIES

THE BANK HOLIDAY &
WEEK 6 FOCUS

27 AUGUST - 4 SEPTEMBER

SUMMER 2022

WE MADE IT!

Hey there and welcome to the Week 6 Focus

Yes, WEEK 6! I know for some, the holidays have felt looooong. But in some ways it's flown past too. Either way, it feels like it's time to celebrate and congratulate and with Notting Hill Carnival and a whole load of festivals in the pipeline you won't have to look far for a way to do so.

This week we see a lot of the summer-specific events wind down and the usual term-time activities ramp up so it's my time to say goodbye (ish) and hopefully sing with you and the family soon. I'm hoping to hold 2, yes, 2 Little Sing Song sessions this week; a Bank Holiday Monday session at Matt Cup (the new cafe inside TFC/The Continental Food Exchange) and then on Wednesday I'll be making a return to the awesome peeps at Mammoth Tap. I really must give them a HUGE shout out for being so accommodating whilst both my usual venue and future venue are being renovated.

Speaking of that future venue, some of you already know about **Good Shepherd Studios**, a project I'm working on with 2 fab locals. We're hoping it will fill a few of the gaps in E11 and provide a number of treats for locals including E11 families. To find out more and to get involved [register your interest here](#).

But back to the present. As always, activities and events are subject to change so please check with the event organisers/venues before attending. If you spot an error, want to add an event or want to know more about Little Sing Song feel free to drop me a message.

Have fun x
Danie

Annual festival on Christ Church Green with music, food, stalls and family fun. [Info](#)

A message from our mates at the UEL Baby Dev Lab

The University of East London Baby Development Lab is **open all summer!**

We currently need **Baby Scientists aged 2 to 6-months-old** to help us understand how babies develop thinking and communicating skills...

How can you help? By playing with toys!

We can provide:

- The chance to be involved in cutting-edge psychology research
- Shopping vouchers for participation
- Paid taxis to and from our lab in Stratford, East London
- Lunch and coffee
- A 'Baby Scientist' certificate

Contact **dev@uel.ac.uk** and mention you found out via **Danie at Little Sing Song**
