SUMMER ACTIVITIES & EVENTS FOR FAMILIES

THE
WEEK 1 FOCUS

SUMMER IS HERE

Well hello there! I'm going to keep this short and sweet because I know you've probably got your hands full now that the Summer Holidays are under way. Yes, summer. Torrential rain, thunder, lightning...The above photo taken of two local musicians and mums (Zoe Purdie-Wood and me) was taken by the talented local artist, photographer and mum, Martine Charalambou, at Cann Hall Can's Summer Saturdays of Sound this weekend. Despite the earlier downpours, we had an absolute ball with an audience who donned their waterproofs and came out to kickstart a summer of fun.

I've put this guide together as I'm conscious that many of the groups the little ones usually attend won't be running as usual over the summer. I run a music group called Little Sing Song and, like most of us, I'm in need of a break after the goings on of 2020. Having said that, I'm also feeling the urge to put on and attend events now that we have more freedom. Thankfully, there are things happening in E11 and the surrounding areas and I'm hoping to share them with you each week. I make no promises as we all know how life can spring surprises on us, but that's the aim.

As with most things since 2020, events are subject to change so please check with the event organisers/venues before attending. If you spot an error, want to add an event or want to know more about Little Sing Song drop me an email at danie@littlesingsong.com.

Have fun and stay safe x

PARK SPOTLIGHT

Acacia Road Playground

More locally known as "The Music Park" thanks to its number of musical features, this park also includes a huge sculpture that begs to distract you from playing 'Spot the Freight Train' for the umpteenth time. It's close to Wanstead flats and wetlands the recently opened passion project, Sarah's Leytonstone at Arch 305, 185 Harrow Road. Sarah who also runs B-Tempted serves these delicious brownies amongst other goodies. Seriously, the broken brownies are only £1 a bag and are sooooo good (and gluten-free too!)

Thanks all for now, catch you soon,
