

HAVE YOURSELF A MERRY

# Little SingSong

CHRISTMAS

WINTER 2021

# BRING ON THE FESTIVE FUN

Hi everyone

Since 2020, planning things in advance has been...interesting. We just don't know what's around the corner (oh hello Omicron variant). But all this unpredictability doesn't necessarily mean we can't still have a load of fun. Yes, we have to be extra careful and extra flexible, but fun can still be had. Below I've included a few offerings from Little Sing Song and supporters which I hope will help in making your festive season bright. But first...

## **Elf and Safety** (sorry, not sorry)

Little Sing Song sessions have always erred on the side of caution when it comes to Covid and will continue to do so with...

- Hand sanitising on entry
- Blankets to encourage social distancing
- Face masks when away from blankets
- Regular testing: I take a lateral flow test before each session and provide lateral flow test kits for families to take home
- Vaccination news: I share information from Waltham Forest on when vaccinations and boosters are available locally

You guys have been absolutely amazing in ensuring you only attend sessions if your households are free of covid symptoms so thank you for doing your bit to keep our community safe.

Danie x
